Our team has a 'family feel' and we know they are the best in the business.

Choosing the right carer is very important and we take great care to match people with a carer they will get on with. We try to ensure they live nearby, so they can talk about local issues. **Over 96% of our clients see the same regular carer each time.**

The care staff have been amazing, and also the office staff are always there to help.

The standard of care is
excellent, and the
organisation and
communication with
staff has also been
excellent.

We have a range of services to help you make the most of every day

We will develop a tailored care plan with you and show you the costs at each stage, so you can see what your money will buy. We can build a package to meet your budget and help you work out which care tasks are the most important to you.

We charge an hourly rate with no hidden charges.

Helping you to live a more independent life in your own home.

Choose from a range of help with daily personal care and domestic tasks. Maybe you'd like someone who can help you get up and going in the morning, cook meals and do the laundry? Or perhaps you have more complex health problems and need help with those? Our carers are fully trained and have lots of experience working with people who have dementia, physical health problems. They also know how to help with medication management.

Keep up your social life, and keep doing the things you love.

Our carers love nothing more than a trip out to the local park or cinema. You might prefer to stay in and watch your favourite TV show or just want a natter over a cup of tea.

This is just a small selection of what we can offer, please contact us for more information.
